#### **Patient Consent to Treatment**

By reading and signing this document the undersigned patient (or authorized representative) consent to, agree and authorize RevitaLife to perform treatments, examinations, prescribe medications, medical services and diagnostic procedures as ordered and approved by the physician and RevitaLife staff and discussed with me. I understand that I may have other conditions that will continue to be cared for by my primary care physician. I acknowledge and consent to the following:

- I am at least 18 years of age and I have provided a full and accurate medical history to RevitaLife. I acknowledge that the medical history I provided to RevitaLife is true and accurate and I am aware that any Information I did not provide prior to treatment cannot hold RevitaLife personnel treating me responsible for loss or liability that may result due to my failure to provide such information.
- 2) I understand and agree that as a condition to my receiving treatment with RevitaLife I will continue to visit my primary care physician, regardless of the extensive follow ups specific to the diagnosis discussed by my RevitaLife physician or treating personnel.
- 3) RevitaLife physician, personnel, and healthcare professionals cannot guarantee any specific results of any examination, treatment, procedure, or medical care. I release RevitaLife, its providers, and healthcare professionals from any and all liability for any accident or injury that is not directly caused by the negligence of RevitaLife or its employees. I further understand that the overall diagnosis and treatment may involve risks or injuries. As a result, I understand and agree to hold RevitaLife personnel and RevitaLife physicians harmless and free of liability if I should encounter an adverse event related to the treatment or medications prescribed that could result in my incurring additional medical costs.
- 4) During the course of my care and treatment, I understand that various types of examinations, tests, and diagnostic or treatment procedures may be necessary. These procedures may be performed by physicians, nurses, technicians, or other healthcare professionals. While routinely performed without incident, there may be material risks associated with these procedures; I will ask my healthcare professional or physician to provide me with additional information. I understand RevitaLife personnel and or physicians may ask me to sign additional informed consent documents relating to specific procedures and treatments.
- 5) I agree not to give, sell, or allow anyone other than myself to use any medication provided to me through my treatment with RevitaLife.
- 6) I understand that RevitaLife has contracts with pharmacies for compound medications.
- 7) I understand that hormones and the ancillary use of medications while taking hormones or undergoing treatment for a specific diagnosis observed by a RevitaLife physician can result in the unknown side effects which may not become evident until a future date. As a result, I agree to take my medications exactly in the manner prescribed to me by my RevitaLife physician and agree to release RevitaLife, or RevitaLife personnel and RevitaLife physicians from any liability for any misuse, unintended use, or unauthorized use of the medication prescribed.
- 8) If the medications prescribed may be injected and I chose to inject myself, I agree to hold harmless RevitaLife, RevitaLife personnel and /or RevitaLife physicians if the same results in injury or harm to myself. I understand that RevitaLife and /or its affiliates will provide as much information and Instruction as possible to assist in minimizing harm to myself.
- 9) I authorize and agree to allow RevitaLife to utilize my lab results, observations and or outcomes of my treatment in future studies which will not disclose my demographic information.
- 10) I understand that RevitaLife physicians may have elected to opt out of medical malpractice insurance due to the unique and unconventional nature of the medical treatment, and I cannot hold them responsible and will not attempt to hold them responsible for the diagnosis and treatment, risks, potential harm or injuries or outcomes that may result from initiation or continuation of therapy indefinitely.
- 11) I understand that RevitaLife professionals involved in my care will rely on my documented medical history, as well as other information provided by me, my immediate family, or others having information about me, in determining whether to perform or recommend certain procedures or treatment. Throughout the course of my treatment I agree to provide accurate, updated and thorough information regarding my medical history and any conditions or events, which may impact medical decision making.

By signing this document, I certify that I have read and understand its contents and the information provided by me is accurate and complete.

#### **Consent to Use Artificial Intelligence During Encounters**

We are committed to providing the best possible care for you, and as part of this commitment, we are continually looking for ways to enhance our services.

We would like to inform you about a new technology that we are using called Freed. Freed is an artificial intelligence (AI) tool that assists us during patient encounters by generating clinical notes based on our conversations. This tool allows us to focus more on you, the patient, and less on computer documentation. The AI tool does not interact with you directly. It merely listens to the conversation and creates a summary.

Freed is a tool that listens to the conversation during the consultation and generates a written summary or "note" based on that conversation. This note is then reviewed and approved by your practitioner.

We want to assure you that your privacy is our utmost priority. The AI tool adheres strictly to Health Insurance Portability and Accountability Act (HIPPA) compliance guidelines to endure your data is secured and protected. Only the healthcare professionals involved in your care will have access to these notes.

Your participation is completely voluntary. If you agree to use the AI scribe during your consultation please sign and date the form below. If you have any questions, please feel free to discuss them with us.

\_\_\_\_\_ consent to the use of Freed during my medical encounters/appointments.
